

## Client

Private Residence.  
Auckland North.

## Project requirements

Provide a pool fence with simple but elegant style to complement the landscaping and pool features.  
Fully compliant with pool fence regulations.

## Warner recommendation

Warner aluminium Classic design with panels curved to suit the clients plan.  
Powder coated to blend with the natural stone rock colours in the landscaping

## Installation

Installed in conjunction with the site landscapers  
Fence posts secured inground  
Pathway gates custom built to suit site, with pool compliant hardware.

## Outcome

Elegant, stylish but unobtrusive fence  
Adds to and compliments the landscaping.  
Delivered on time, on budget.
